Miss Cavanaugh, who was in one of the cars which were held up, claims she furnished clues leading to the bandits' capture. No action was taken on the claim.

1931 PROGRAM OUTLINED FOR HOME BUREAU

ADVISER TELLS OF SUBJECTS
FOR DISCUSSION AND
DEMONSTRATION

BOOST MEMBERSHIP

Nutrition And Health Program Is
Scheduled For The Month
Of August

The 1931 Home Bureau calendar is filled with many interesting programs and events. New members are being added at each meeting and along with the prosperous outlook in other fields there is an encouraging vision before Home Bureau leaders and members. The program being carried is a very timely one since it educates the public in the principles of food buying in order that they may have attractive, well balanced and nutritious meals at the lowest cost; that they may appreciate standards of what they will not pay fancy prices for second grades, in general that that may buy with a knowledge of merchandise.

The program for January is "Buying Fancy Groceries and Their Place in the Diet," including a study of dates, figs, coconuts, orange peel, lemon peel, nuts, cherries, etc. Samples of these groceries will be shown at each meeting.

Other programs for the year are: February—Planting the Garden and New Developments in Vegetable Cookery.

March—Study of Canned Goods. April—Study of Canned Goods. May—Food Legislation. June—Salad Demonstration With Principles of Salad Making.

In August a nutrition and health program will begin when the members will learn the relation of food to health; health measures that prolong life; diet in special diseases; the cause and cure of malnutrition; to count calories sanely and many other topics which will make for healthier and happier homes.

When it is found that one out of every five children in school is malnourished and that this applies to the rich as well as poor it seems that it is time that American mothers study to find out the cause least the children of America be handicapped as those in many other lands.

It is estimated that 200,000 individuals in this country suffered from pellagra in 1929. It is likely that unless effective educational and relief measures are undertaken there will be a larger number of cases in 1931. In the Home Bureau office there is a diet worked out for small, medium and large incomes which will insure a safety diet—anyone wishing to consult it may do so.

January is the time when those wishing to join the Home Bureau should do so in order to get full benefits from the program offered. Everyone is eligible to join and may obtain information by calling the office between 9 and 12 o'clock any day in the week or by consulting present members.

Besides the regular program there will be one special demonstration each month. The one in February will be a home-made rug demonstration by Miss Isabelle Hitchcock, specialist in home furnishings at the University of Illinois.

The following schedule for January was announced today by the adviser, Miss Dora Pearcey: Jan. 5—Kankakee unit; Jan. 6—South Limestone unit; Jan. 7—Officers training school; Jan. 8—Chebanse unit; Jan. 9—Herscher unit; Jan. 12—State home-makers' conference at Urbana; Jan. 19—Salina unit; Jan. 20—Manteno Sr. unit; Jan. 22—Grant Park unit; Jan. 23—Reddick unit; Jan. 24—Rockville Jr. unit; Jan. 26—Rockville Sr. unit; Jan. 27—Manteno Jr. unit; Jan. 28—Exline unit; Jan. 29—30—Local leaders training school.

Marshal Joffre, Hero Of The Marne, Dies At An Early Hour Today

Family Present
As The Military
Leader Passes On

Paris, Jan. 3.—(AP)—Death came today to Marshal Joffre, last of the chief French military leaders of the great war, after a fortnight's illness in which it was necessary to amputate his left leg. The marshal would have been 79 years old tomorrow.

The end was peaceful. Three members of his family, Mme. Joffre, his son-in-law, M. Lafle, and his brother, Ferdinand, General Issay, his chief of staff, Colonel Desmazes, of his staff, his doctors and a few others, were present. He died without coming out from the coma which closed over him at noon Thursday, his life gradually ebbing since.

The announcement was made at 8:30 a. m. A member of his military household, Captain Saint Cernin, pale with emotion, emerged from the hospital and in a husky voice telling newspapermen: "The marshal is dead, gentlemen," he displayed a bulletin signed by the physician, Professor Lerche and Drs. Boulon and Fontaine, which set the end at 8:23 a. m.

Shortly afterward Professor Lerche, Strassbourg specialist who came to Paris to treat the ailment which finally cut the marshal's life short, appeared and informing the newspapermen of the circumstances of death, added that the marshal had been in a state of coma practically all this week except for rare intervals of five or ten minutes lucidity.

Despite the early hour a crowd already had assembled outside the hospital Saint Jean de Dieu, where the marshal has been confined for two weeks. When information of

RESOURCES OF FIRST TRUST, \$3,979,996.51

BANK HAS PAID TWO EXTRA
DIVIDENDS THIS YEAR;
15 PERCENT

MEETING YESTERDAY

Len Small Re-elected President
And Five New Directors
Are Elected

At the regular meeting of the Board of Directors of the First Trust and Savings Bank of Kankakee, held yesterday afternoon, it was announced by President Len Small that the institution now has total resources of \$3,979,996.51.

It was also pointed out that the First Trust and Savings Bank of Kankakee is one of the few "honor" banks of the state, meaning that the institution has a total surplus equal to its capital stock, both of which are \$200,000.

The splendid condition becomes even more noteworthy when it is explained that this \$200,000 surplus is an earned surplus, which means that it has been built up entirely through profits. In addition, there is \$155,000 in undivided profits, of which \$75,000 is set aside as a contingent fund.

The bank has always paid an annual dividend of 12 percent, and extra dividends as high as 9 percent. This year, the net earnings were such that the bank was able to pay two extra dividends, one of two percent and another of one percent, making a total dividend of 15 percent.

Len Small was re-elected as president of the bank. Other officers who were re-elected are: Louis E. Beckman, vice president and cashier; E. A. Lecour, vice president; A. C. Radeke, vice president; E. A. Jeffers, vice president; L. B. Bratton, vice president; Fred H. Zetler, assistant cashier; Roy D. Taylor, assistant cashier; and Walter H. Stiefert, assistant cashier.

Directors who were re-elected are: Len Small, E. A. Lecour, Louis E. Beckman, William H. Black, E. C. Hamilton, Budd L. Small, Leona Small, John Eden, Arthur Beckman, A. C. Radeke, E. A. Jeffers, L. B. Bratton, E. C. Chabot, R. G. Drolet, and Victor McElroon.

New directors who were elected are: Bert L. Fitzgerald, A. E. Ingles, Louis H. Drolet, Fred H. Zetler, and Roy D. Taylor. The last named three have been in the bank's service for more than twenty years.

The bank statement as of December 31st follows:

RESOURCES	
Cash, other cash resources and due from banks	\$ 689,424.73
U. S. Government Investments	262,881.25
Other bonds and securities	438,121.53
Other loans	1,715,993.78
Loans on real estate	642,056.03
Overdrafts	229.02
Other real estate	178,679.22
Banking house, furniture and fixtures	52,610.85
Total resources	\$3,979,996.51
LIABILITIES	
Capital stock	\$ 200,000.00
Surplus	200,000.00
Undivided profits	80,688.25
Reserve accounts	76,858.31
Demand deposits	1,397,407.01
Time deposits	1,800,996.47
Due to banks	215,873.46
Dividends unpaid	8,173.00
Total liabilities	\$3,979,996.51

The financial and moral stability of the officers and directors are beyond all question. A glance at the list of officers and directors, named above, will show that they are, without exception, leaders in the business and civic affairs of the community and men whose names alone assure the depositors of the First Trust and Savings Bank of careful and conservative handling of their funds. Their combined net worth far exceeds the total amount of deposits in the bank.

In these days of business depression, when any institution without proper financial and moral backing is sure to suffer, such a commendable condition which exists in the First Trust and Savings Bank of Kankakee, and which will continue to exist, is the one guarantee of security in which the faith and hope of the people of the community rests.

BULLETIN
S. S. Bermuda, Jan. 2.—(AP)—The monoplane, Trade Wind, attempting a record flight from New York to Paris, passed over the steamship Bermuda at 10:30 a. m. e. s. t., flying low and fast. The plane was heading southeast about 370 miles southeast of Ambrose Light. Weather conditions were perfect.

New York, Jan. 3.—(AP)—A red haired widow and the man who taught her to fly pointed the plane "Tradewind" for Paris in pitch darkness early today, setting their sights for Bermuda and the Azores with a pay load.

Mrs. Beryl Hart, one of the few women to hold an unlimited transport license, and Lieut. William S. MacLaren, former navy pilot, took off from the Glenn H. Curtiss seaplane in Queens at 5:30 a. m., circled the field several times in the glare of searchlights and headed over Manhattan, finally roaring away toward the tip of Long Island.

Several minutes later an escort plane, occupied by W. D. Campbell, E. M. Smith and C. J. Strickland, friends of the pilots, followed them into the air. The escort plane returned at 8:30 a. m., bringing tidings that the ocean flight was proceeding without mishap.

Lieut. MacLaren was at the controls on the getaway but Mrs. Hart was expected to replace him soon after the start and do the bulk of the piloting. Both were dressed in spottless aerial tops, unsoiled by the grime of land take-offs, and Mrs. Hart wore a five leaf clover, a rabbit's foot and an Indian penny as emblems of good luck.

Considering the early hour, a fair sized crowd was present to wish them bon voyage.

The pilots planned to cut southeast over the Atlantic and land at Hamilton, Bermuda, at 1:30 (est) this afternoon, a distance of 650 miles. Resting three hours while the plane was tuned up and refueled, they hoped to resume the flight about sunset and make Horta, Azores, in 21 hours, traveling 2,042 miles. They figured the last lap to Paris, 1,520 miles, would take them 17 1/2 hours, setting them down on the River Seine, within the city limits, in less than 50 hours.

They carried with them a chart of the Seine, drawn by Dieudonne Coste after he and Maurice Bellonte had landed here on their Paris-New York flight. In case the river traffic is too heavy, they will come down on a small lake just outside the city.

With a desire to prove that ocean flying can be put on a paying commercial basis, the pilots loaded the "Tradewind" with about 250 pounds of mail and foodstuffs, the first cargo load to be started across the Atlantic. The mail was cleared out of New York and was destined for stamp collectors along the way.

Mrs. A. J. Phipps and Mrs. A. Z. Peck of Manteno shopped in this city Friday.

Seven Rescue Workers Overcome
By Gas And Brought
Out Unconscious

Midvale, O., Jan. 2.—(AP)—Seven rescue workers, overcome by gas while searching for five trapped miners in No. 4 mine of the Midvale Coal company here today, were brought out of the workings unconscious by other rescue crews. Physicians said they all will recover.

The seven men fell unconscious after breathing the poison gas that filled the mine following an explosion in which the five miners were trapped. Fifteen other miners escaped from the drift mine a few minutes after the blast.

Rescue workers brought their co-workers to the surface and they were immediately taken to an emergency hospital where restoratives were used. All of them reacted favorably and physicians said they probably would recover.

Little hope was held for the five miners who were trapped by the blast, the mine appeared to be filled with gas. The officials denied reports that one of the trapped men had been found dead.

ALUMNI CAGERS TRIUMPH OVER MAROON & BLUE IN HARD GAME 24-18

HARRISONITES OVERWHELMED BY OLD GRADS

By FRANCIS MICHAELS

Even a last quarter rally staged by the Harrisonites failed to overcome the Alumni cagers, who finally won the hard fought contest 24-18, in the local high school gym last night.

Completely overwhelmed by the flashy offensive displayed by the old grads early in the game the Maroon and Blue quints lagged through the whole game in the scoring. Bill Devine, slipped under the prep's basket to give his teammates a sizeable lead.

With approximately five minutes to go, Coach Kuester, Coach Harrison's promising recruit, started a scoring spree, which sent the fans to their feet and almost led the score. Rushing under the hoop he flipped in three counters in lightning-like fashion. Coach Harrison's defense collapsed and slipped one in from the South line, bringing the score to 20-18.

Champion, Alumni center, pulled the game out of the fire with two shots. The Alumni team, which had been down 18-10, won the game 24-18.

With the opening whistle the old grads displayed the agility which made them stars in the prep days. Bill Devine and Champion, two days ago, scored 10 and 12 points, respectively, in the first half. Champion added excellent teamwork, scoring 10 points, and Meister also added the Alumni five.

Although the Alumni, outplayed and handicapped by their opponents experience, Coach Harrison's cagers showed their scrappiness in the last half. However, their failure to score in the early part of the game proved costly.

As referee Champion took the leather into the air Bill Burrill tapped under his basket to his teammate who immediately hooked a pass to Bill Devine who rumped under the hoop to score. He fouled up with a free throw, only to have Kuester dribble half the length of the floor and sink one. Long tied the count with a free line.

Alumni Takes Lead

Following the next jump Devine was fouled and slipped a free throw through the net, and his teammate, Patchett, sank a one-handed shot. The Alumni led 6-3.

Bill Lane topped a long one and after a series of free throws by Fowler, Champion and Beckman, the Alumni scored 8-5. Champion ran loose to capture two baskets in succession, and Fowler and Lane each added a free throw before the half ended, 12-17.

As the half opened Devine went wild on shorts and put six points in a flash. Capt. Richards came back with a long and his teammates Kuester and Champion scored lone points from the South line, and the quarter ended, 18-11.

Then came the dramatic struggle by Harrisonites to overcome the Alumni. Led by Kuester, the Maroon and Blue five swept the grads from their feet when Charles Looney, Jr. scored in the first half. A free throw by Fowler, Kuester, and Beckman, the Alumni scored 18-11, but here their terrific offense stopped. Champion scored in a short, which was followed by a free throw by Devine. Then Champion pulled the game out of the fire with another shot, and the game ended 24-18.
